

February 8, 1996 LB 469, 584, 590, 890-899, 906, 927, 978, 1050
1060A, 1312

SENATOR CROSBY: Senator Chambers, there are no further lights, would you like to close on your bill?

SENATOR CHAMBERS: No, I would just ask that we advance it.

SENATOR CROSBY: The question is the adoption...the advancement to E & R Initial of LB 906. All in favor vote aye, opposed no. Record please.

ASSISTANT CLERK: 25 ayes, 0 nays on the motion to advance the bill to E & R Initial, Madam President.

SENATOR CROSBY: LB 906 advances. Any items for the record, Mr. Clerk?

ASSISTANT CLERK: Madam President, I do. Your committee on Enrollment and Review reports it has carefully and engrossed LB 584. A new A bill, LB 1060A. (Read by title for the first time.) The bills that were read on Final Reading yesterday have been presented to the Governor. (Re: LB 469, LB 890-899.) Committee on General Affairs reports 978 to General File with amendments; Judiciary reports 1312 as indefinitely postponed; Education reports 1050 with committee amendments attached. Name addition, Madam President, Senator Will to 590 and 927. (See pages 750-51 of the Legislative Journal.) That's all that I have.

SENATOR CROSBY: That's all you have, Mr. Clerk? Senator Kristensen, I'll recognize you.

SENATOR KRISTENSEN: Thank you, Madam President, members of the Legislature. Before I make my motion I have a point of personal privilege. A good lesson Senator Chambers just learned, he didn't read my amendment and what it does is add violations to the rules of the road, punishment by death penalty. Next time maybe he'll learn to read the amendments before he just agrees to them. But with that I'd move to adjourn until Monday, February 12, 1996 at 9:00 a.m.

SENATOR CROSBY: You've heard the motion to adjourn. All in favor say aye, opposed no. We are adjourned.
